§ 1467.1 Applicability.

(a) The regulations in this part set forth the policies, procedures, and requirements for the Wetlands Reserve Program (WRP) as administered by the Natural Resources Conservation Service (Department) for program implementation and processing outstanding and new applications for enrollment during calendar year 1995 and thereafter.

(b) The Chief, Department, may implement WRP in any of the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, Guam, the Virgin Islands of the United States, American Samoa, the Commonwealth of the Northern Mariana Islands, and the Trust Territories of the Pacific Islands.

[60 FR 28514, June 1, 1995. Redesignated and amended at 61 FR 42141, 42143, Aug. 14, 1996]

§ 1467.2 Administration.

(a) The regulations in this part will be administered under the general supervision and direction of the Chief.

(b) The Chief is authorized to modify or waive a provision of this part if the Chief deems the application of that provision to a particular limited situation to be inappropriate and inconsistent with the environmental and cost-

efficiency goals of the WRP. This authority cannot be further delegated. The Chief may not modify or waive any provision of this part which is required by applicable law.

(c) As determined by the Chief and the Administrator of the Farm Service Agency, the Department and the Farm Service Agency will seek agreement in establishing policies, priorities, and guidelines related to the implementation of this part.

(d) The State Conservationist will consult with the State Technical Committee on the development of the rates of compensation for an easement, a priority ranking process, and related policy matters.

(e) The Department may delegate at any time easement management, monitoring, and enforcement responsibilities to other Federal or State agencies.

(f) The Department may enter into cooperative agreements with Federal or State agencies, conservation districts, and private conservation organizations to assist the Department with educational efforts, easement management and monitoring, outreach efforts, and program implementation assistance.

(g) The Department shall consult with the U.S. Fish and Wildlife Service in the implementation of the program and in establishing program policies. The Department may consult with the Forest Service, other Federal or State agencies, conservation districts or other organizations in program administration. No determination by the U.S. Fish and Wildlife Service, the Forest Service, Federal or State agency, conservation district, or other organization shall compel the Department to take any action with the Department determines will not serve the purposes of the program established by this part.

(h) The Chief may allocate funds for such purposes related to: special pilot programs for wetland management and monitoring; acquisition of wetland easements with emergency funding; cooperative agreements with other Federal or State agencies for program implementation; coordination of easement enrollment across State boundaries; coordination of the development
